

Get Ready for the fireworks once again! Van Gerwen and Taylor to Clash at Manchester's BEC Arena. The world's top two darts stars in history will be on show when Manchester's BEC Arena hosts it's second arrows evening of the year. Legendary 16-time World Champion Phil Taylor and current world number one and World Champion Michael Van Gerwen will compete at the Manchester Darts Masters on December 5, 2019.

The sport's elite pair will re-ignite their rivalry, meeting in the UK for the only time this year and for the first time since 2017. They will lead a line-up of top professional players as the unique party atmosphere rolls back into Manchester in the lead up to Christmas.

Also on show will be three-time World Champion Glen Durrant, quickfire Dutch ace Vincent Van Der Voort and former pro-turned celebrity Bobby George, who will add his unmistakable brand of razzmatazz to proceedings. They will be joined by locally-based professionals and rising stars Darryl Fitton, David Evans, Bradley Brooks, Callum Loose, Ben Smith, James Beeton, Jim Moston and Harry Gregory.

Three-time World Champion Van Gerwen said: "I'm really excited about this event. I believe the one earlier in the year was fantastic. I have played in Manchester many times in the Premier League and there is always a great crowd, which creates a brilliant atmosphere. It is a very rare opportunity for people to see me go up against Phil Taylor and I am really looking forward to the chance to play him again."
